SECTION 4

THE WAREHOUSE DANCE COMPANY

WDC Competition Team Expectations & Agreement

Effective Date: June 2, 2026

Competition Team participation is a privilege that requires a higher level of commitment, responsibility, professionalism, attendance, and financial accountability than recreational enrollment. By accepting a position on a WDC Competition Team, dancers and their families agree to the following expectations.

Attendance & Commitment Expectations

Competition Team participation requires consistent attendance and commitment. Choreography, formations, spacing, and team performance rely on every dancer being present and prepared. To help ensure fairness and accountability, WDC utilizes a Competition Team Point System.

Point System

Points may be assessed for the following:

- Late Arrival to Competition Rehearsal: 0.25 Point
- Early Departure from Competition Rehearsal: 0.25 Point
- Missed Competition Rehearsal: 0.5 Point
- Missed Boot Camp Rehearsal: 4 Points
- Missed Recital Performance: 4 Points
- Missed Competition: 5 Points
- Missed Convention: 5 Points

Points are cumulative throughout the competition season.

Accumulation of points may result in consequences including, but not limited to:

- Additional rehearsals
- Removal from portions of choreography
- Removal from routines
- Loss of solos, duos, title opportunities, special opportunities, or leadership roles
- Probationary status
- Suspension from Competition Team activities
- Dismissal from the Competition Team

Accumulation of five (5) or more points may result in disciplinary action, including removal from routines or dismissal from the Competition Team, at the sole discretion of WDC leadership.

Special Circumstances

WDC understands that injuries, illnesses, family emergencies, school-sponsored activities, and other unforeseen circumstances may occasionally arise. Point assessments, exceptions, accommodations, and disciplinary decisions related to special circumstances shall be determined solely by WDC leadership on a case-by-case basis.

Providing notice of an absence does not automatically excuse the absence or prevent points from being assessed.

Communication Expectations

Competition Team members and their families are expected to communicate absences, tardiness, and scheduling conflicts as soon as reasonably possible. Failure to provide notice of an absence, late arrival, or early departure may result in additional disciplinary action beyond the points assessed.

Unreported absences may result in additional disciplinary action.

Competition Payment Plan & Financial Expectations

Competition Team participation requires a significant financial commitment. Families may choose to either pay competition expenses in full or participate in WDC's approved payment plan.

Families selecting the payment plan option will have their competition expenses divided into equal monthly payments beginning in August and ending in January. Payments will be automatically drafted on the 15th of each month using the payment method on file.

Accounts that become two (2) or more scheduled payments behind may be considered not in good standing and may be subject to participation restrictions, disciplinary action, or removal from the Competition Program, including but not limited to:

- Loss of solos, duos, title opportunities, competitions, conventions, performances, or other Competition Team privileges
- Removal from routines
- Suspension from rehearsals or team activities
- Withholding of competition registrations, costumes, or entries
- Dismissal from the Competition Team

Competition-related expenses are subject to all payment, late fee, delinquency, account hold, collection, refund, and financial policies outlined in the WDC Policies & Forms Handbook.

Dismissal from the Competition Team, removal from routines, or voluntary withdrawal from the Competition Program does not entitle a participant to a refund of any fees or payments previously made.

Competition Team Participation

Competition Team members are expected to attend all required:

- Competitions
- Conventions
- Team rehearsals
- Performances
- Studio-scheduled appearances
- Choreography sessions

- Team events designated as mandatory by WDC leadership

Because choreography, spacing, formations, and team performance depend upon full participation, failure to attend a required event may impact routine placement, performance opportunities, competition participation, or team status.

Parent Responsibility & Custody Matters

The Warehouse Dance Company does not participate in, mediate, or make accommodations for custody disputes or disagreements between parents or guardians.

Parents and legal guardians remain responsible for coordinating schedules and ensuring compliance with all attendance, financial, and participation requirements.

Custody arrangements, parenting schedules, vacations, social activities, school events, family disagreements, or personal conflicts do not modify attendance expectations, financial obligations, or team requirements.

Parent Conduct & Professional Boundaries

Competition Team families are expected to support a positive, respectful, and professional environment.

Harassment, intimidation, threatening behavior, disruptive conduct, verbal abuse, social media misconduct, attempts to interfere with studio operations, attempts to coerce policy changes, or conduct deemed harmful to the studio, its staff, dancers, families, culture, reputation, or operations may result in suspension or dismissal from the Competition Program.

Parents and guardians remain subject to all WDC policies, including the WDC Policies & Forms Handbook, Financial Policies, Code of Conduct, Liability Waiver, and all Competition Team policies.

Studio Discretion & Team Membership

The Warehouse Dance Company reserves the right to make final decisions regarding:

- Team placement
- Routine placement
- Choreography assignments
- Performance opportunities

- Competition participation
- Convention participation
- Travel opportunities
- Eligibility for special events
- Continued team membership

Competition Team participation may be restricted, suspended, or terminated for failure to comply with attendance requirements, financial obligations, behavioral expectations, program standards, or studio policies.

Policy Changes & Final Authority

All attendance decisions, point assessments, exceptions, accommodations, disciplinary actions, financial decisions, participation restrictions, and team-related determinations shall be made by WDC leadership and are final.

The Warehouse Dance Company reserves the right to interpret, enforce, modify, amend, suspend, or make exceptions to any Competition Team policy at its sole discretion.

Continued participation in the Competition Program constitutes acceptance of the most current version of this agreement.

Acknowledgment

By accepting this policy, I acknowledge that I have read, understand, and agree to comply with the WDC Competition Team Expectations & Agreement and all applicable WDC policies.

WDC generally considers local school system closures when making operational decisions but reserves the right to make independent decisions based on circumstances affecting studio operations.

COMMUNICATION

Families are encouraged to communicate through official WDC communication channels.

Questions, concerns, scheduling matters, and studio-related issues should be directed to studio management or designated administrative staff.

Instructors are often teaching classes before, during, and after scheduled lessons and may not be immediately available for discussions.

WDC reserves the right to determine the appropriate communication channel for addressing concerns.

FACILITY EXPECTATIONS

All participants, parents, guardians, family members, guests, and visitors are expected to comply with all WDC policies, including the Code of Conduct, Financial Policies & Payment Agreement, Liability Waiver, Competition Team Participation Agreement, and any other applicable studio policies.
