

## Code of Conduct

The Warehouse Dance Company is committed to providing a safe, respectful, and uplifting environment for all dancers, families, and staff. By entering our facility or participating in any program, class, event, competition, or performance in which dancers represent The Warehouse Dance Company, all individuals agree to uphold this Code of Conduct.

Smoking, vaping, alcohol, and drug use are strictly prohibited anywhere on the property we lease and operate in, including the building, outdoor walkways, and parking areas. These same standards apply at all off-site events and activities where The Warehouse Dance Company is being represented.

We do not tolerate yelling at children, the use of threatening or aggressive language, or any form of physical discipline, including striking or hitting. Bullying, teasing, or exclusion of any kind — whether verbal, physical, or social — is strictly prohibited. All dancers and families are expected to treat one another with kindness, encouragement, and respect.

Any behavior that endangers the emotional or physical safety of others or creates a hostile environment may result in immediate removal from the premises or event, and may lead to dismissal from our program. We appreciate your support in fostering a positive, inclusive, and family-centered studio culture where every dancer can thrive.
